

Product Designer

Carmen Spencer, MA UX Design

- 7 years of experience in product design and UI/UX
- Specialized in B2B SaaS: led product design for complex cybersecurity, healthcare, and fin ops tools
- Data-driven, using analytics and user feedback to optimise usability
- Expertise in end-to-end design, from ideation to implementation

Work Experience

Senior Product Designer @ [Entro Security](#) Cybersecurity AI SaaS

Tel Aviv, 2025-Current

- Designed and shipped new product features in close collaboration with PMs and engineers, from discovery to developer handoff
- Led design system ownership, aligning Storybook with frontend implementation to improve UI consistency and delivery speed
- Established UI standards and design guidelines to support product maturity and visual cohesion
- Drove UX improvements from user feedback and competitive analysis
- Led marketing design initiatives, including scalable Canva templates and conference assets

Lead Product Designer @ [Lema.AI](#) Cybersecurity AI SaaS Startup

Tel Aviv, 2023-2025

- Led end-to-end product design as sole designer, from research and ideation to prototyping, handoff, and iteration
- Built Lema AI's design system and brand identity from the ground up
- Collaborated with product, R&D, data, and marketing teams to define and evolve core features
- Acted as product manager in year one, shaping product vision, defining requirements, and documenting UI behavior
- Improved UX constantly with data-driven insights, session recordings, and user metrics, increasing feature efficiency by 160% on average
- Led the brand design, and designed marketing assets and client-facing presentations

Lead Product Designer @ [Three Point Turn](#) Healthcare Operations SaaS

Toronto, 2020-2023

- Led product design for [MedPath](#) and 8 additional healthcare and operations management tools at Three Point Turn, a B2B SaaS studio
- Owned design across research, prototyping, testing, and dev handoff
- Built branding and design systems across multiple products
- Led the design team, mentoring new members
- Improved client satisfaction from 69% to 94% through continuous UX optimization

UI/UX Design Freelancer @ [Fiverr](#) Mobile Apps Graphic Design SaaS

Toronto, 2019-2021

UI/UX Intern @ [Codepxl](#) Mobile Apps Websites

Toronto, 2020

Design, Marketing Intern @ [Three Point Turn](#) Graphic Design Mobile Apps

Toronto, 2019
